

Surah al-Hujurat

Session 2

How do you deal with rumours or bad news? What does that indicate about the state of your heart?

How does it make you feel knowing that Allah has chosen you to have imān?

How just are you in situations of conflict? Do you sway towards someone's point of view just because they are your friend/relative?

Actions

How do you think you would react when faced with the following scenarios:

	Imagine a friend tells you that your neighbour's child was caught stealing drugs.	Imagine your friend tells you that your colleague was spreading a rumour about you.
What would your immediate reaction be, and what would you do?		
How would your reaction now differ based on what you've learnt?		

What actions will you work on as a result of the verses discussed today?

Make this du'ā' regularly:

اللَّهُمَّ حَبِّبْ إِلَيْنَا الْإِيمَانَ وَزَيِّنْهُ فِي قُلُوبِنَا، وَكَرِّهْ إِلَيْنَا الْكُفْرَ وَالْفُسُوقَ وَالْعِصْيَانَ،
وَاجْعَلْنَا مِنَ الرَّاشِدِينَ

O Allah make our faith beloved to us and beautify it in our hearts and make hateful to us disbelief, wickedness and disobedience. And make us of the rightly guided.

Find someone in your community who is not your relative, friend or from a similar background as you. Form a friendship with them, simply because you are both united by īmān.
